

***Md. Amzad Hossain***  
***Assistant General Manager***

Mr. Amzad has more than 10 years of professional experience of working for international development agency, multilateral donor, corporate business, consulting house, NGO, research organization, educational institute and government establishment.

He taught at the Department of Business Studies, National University to complete BBS as well as MBS, and worked as social researcher and project management specialist for Bangladesh Institute of Development Studies.

Educated in Business Studies he has worked for as a Program Coordinator Chinno Mukul Shamajik Unnoyn Shonghostha in 2006. He also worked for ServEngine as a Data Quality Auditor before coming Garment Trade. In Garment Trade he started to work with best Green & Lean factory named Aman Knitting. Here he learned TOQ, 5S, Kaizen & Lean to apply for Garment Manufacturing. Here he was very successful person for Mothercare, Boots, Next & M&S. Experience of Aman Knitting creates opportunity to work for M&S him again by joining Dewhirst. Here he got idea & knowledge about UK markets & trends. After successfully working for Dewhirst he moved to Next. He was very successful person for Next & went to UK few times for business meeting. In Next he developed Men's Shirt, Women's Blouses, Boy's Shirt & Trousers Products himself since starting to successful condition.
